

730036

Aluminium Tube 100m

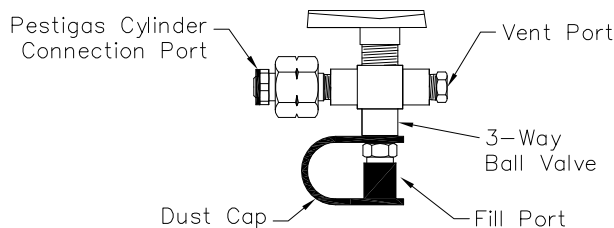

Annealed Aluminium [1350-F] 1/4" OD x 1.2mm Wall
 Suitable For Envirosol Gases, & Low Pressure
 ECO2Fume Gas. Not Suitable For ECO2Fume Liquid.
 Weight 5.0kg/100m Roll, Burst Pressure of 30 mPa

731001

Dose Fill Connector Pestigas

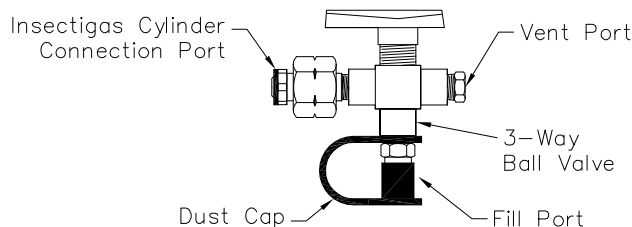

Material : Brass
Use : Refilling Envirosol Dose Gun with Pestigas
Includes : Nut #73004, Spigot #730002, Washer #RG134

731002

Dose Fill Connector Insectigas

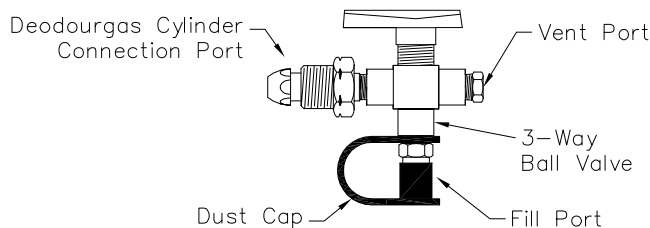

Material : Brass
Use : Refilling Envirosol Dose Gun with Insectigas
Includes : Nut #73004, Spigot #730002, Washer #RG134

731003

Dose Fill Connector Deodourgas

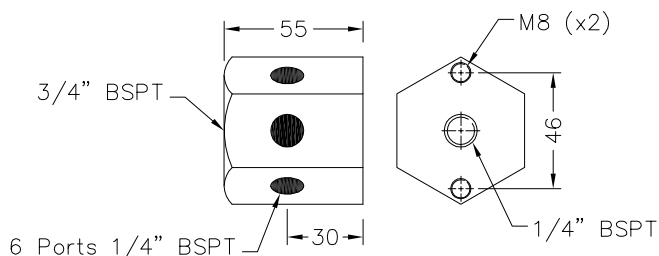

Material : Brass
Use : Refilling Envirosol Dose Gun with Deodourgas
Includes : Nut #302625, Spigot #730000

736459

Brass Hex Manifold Block 6 Point

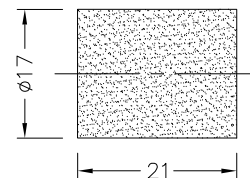

Material : Brass
Use : Connecting 6 Envirosol Hoses,
Includes : Hex Block c/w 2off x Mounting Screws
Note : Filter #736460 Can Be Fitted Into This Housing

736460

90 Micron Sintered Filter Element

Material : Sintered Stainless Steel
Use : With Manifold #736459 or Filter Housing #736698
Includes : Filter Element Only

736461

Manifold Block Spring

Material : Stainless Steel 1/2" x 3/4" Lg x 0.042" Wire
Use : Secures Sintered Filter #736460 in Manifold #736459
Includes : Spring Only
